

ADAA Membership Renewal Questionnaire

This Association was formed to ensure that Aberdeen anglers would be able to enjoy the pleasure of fishing for salmon and trout on our local waters.

We are currently reviewing the interests of our membership so that we can best judge and deliver what you want from your Association. With this in mind the attached questionnaire has been drawn up and the Committee would appreciate that all members complete the form and return it when making payment of the annual subscription.

Therefore before renewal of membership will be accepted for 2007 Season both the questionnaire and Gyrodactylus Salaris statement at the end of this form require to be signed. This is your chance to influence the future direction of your Association and your help would be greatly appreciated.

If you have any queries regarding this questionnaire please contact the Secretary of the Association, Paul Toseland, meantime, thank you for taking part.

Yours sincerely,

Alastair H. Hume
President
